OLD DOMINION UNIVERSITY

TO THE CLASS OF 1981

Welcome to Old Dominion University and to what we hope will be a most exciting and informative part of your life. We sincerely hope that this publication will be as informative and useful to you as it has proven to be to your predecessors.

While pursuing your academic career here at Old Dominion University, we would like to encourage you to become involved in other phases of the university. Any university contains a wealth of knowledge to be acquired and not all this knowledge can be acquired in the classroom. We challenge you to get involved in campus organizations. However, involvement will not just happen; it must be actively sought. Last year's register listed 75 Freshmen interested in student government. Of those 75 people, we have 2 now involved in our government. Where are the other 73? If you have any questions or want to become involved in the Student Caucus, or if we can direct you to other student organizations call us at 489-6339.

I join with all the members of the Student Caucus and the rest of the University community in wishing you a successful year and hope that you will enjoy your 1977-78 Freshman Register.

Sincerely,

J. Michael Pitchford

I pledge to support the Honor System of Old Dominion University. I will refrain from any form of dishonesty or deception, such as lying, cheating and plagiarism, which are honor violations. I am further aware that as a member of the academic community it is my responsibility to turn in all suspected violators of the Honor System. I will report to a Honor Council hearing if summoned.
